Vacation Policy:

Once a child has been in attendance for twelve consecutive months, you may take up to two weeks' vacation each calendar year, at half-tuition fees. Your child must be absent for five consecutive business days and your account balance must be zero. Vacation time does not roll over from one calendar year to the next. Please give us at least a two-week written notice when requesting vacation.

Please Note:

- We do require a two week written notice for disenrollment and we do not prorate tuition.
- An enrolled student always has a reserved spot therefore tuition applies whether students attend or not. Tuition is not discounted for closures for Holidays, weather days, or pandemic closures. If closures go beyond 1 week we address that on a class by class basis and try to offer discounts and will waive the requirement for 2 week notice for disenrollment.
- If you have two or more children enrolled full-time, you will receive a \$10 discount per week.
- All accounts are required to be on ACH auto-draft from a bank account or debit/credit card. ACH from a bank account is free but our credit/debit card processor adds an additional 2.9% convenience fee.
- Tuition is billed out on Sunday and drafted on Monday for the week ahead. If your account carries a balance for any reason you may be subject to disenrollment. \$25 fee for any declined payments.
- If TreeHouse transports your child from school, please notify the front office no later than 2:00pm if your child is not going to be picked up that day. A no call pickup fee will be charged a \$10.00 fee.
- Anyone picking up a child after 6:00pm will be charged a late fee of \$25 for up to 10 minutes late, after 10 minutes you will be billed \$5 per minute. Excessive late pickups will result in disenrollment.
