Vacation Policy:

Once a child has been in attendance for twelve consecutive months, you may take up to two weeks' vacation each calendar year, at half-tuition fees. Your child must be absent for five consecutive business days and your account balance must be zero. Vacation time does not roll over from one calendar year to the next. Please give us at least a two-week written notice when requesting vacation.

Please Note:

- We do require a two week written notice for disenrollment and we do not prorate tuition.
- An enrolled student always has a reserved spot therefore tuition applies whether students attend or not. Tuition is not discounted for closures for Holidays, weather days, or unforeseen uncontrollable closures. If closures go beyond 1 week we address that on a class by class basis and try to offer discounts and will waive the requirement for 2 week notice for disenrollment.
- If you have two or more children enrolled full-time, you will receive a \$10 discount per week.
- All accounts are required to be on ACH auto-draft from a bank account or debit/credit card. Our payment platform has fees that range from 1% to 2.9%.
- Tuition is billed out on Saturday and drafted on Monday for the week ahead. If your account carries a balance for any reason you may be subject to disenrollment. \$25 fee for any declined payments.
- If TreeHouse transports your child from school, please notify the front office no later than 2:00pm if your child is not going to be picked up that day. A No Call Pickup Fee of \$10.00 will be charged.
- Anyone picking up a child after 6:00pm will be charged a late fee of \$25 for up to 5 minutes late, after 5 minutes you will be billed \$5 per minute. Excessive late pickups will result in disenrollment. Please leave time to arrive, check in with your child's teacher, collect their things and exit the building by 6:00pm. Late fees will also apply after 1 hour for sick child dismissal. Check our Operational Policies for more details.
